The Story:

a first for me booked without knowing what Bianca looked like or what services she provided just went on a hunch that Beckys description was good. offered a massage, asked if she kissed and cuddled of course she said stripping naked she lay on top and we french kissed for ages, she asked what i liked and i said oral i knew i was in for a treat after she put on the mac her cock sucking was great and she lubed up a finger and played with my arsehole. next i asked if she liked being kissed down below and she was shaven and had a tasty pussy we had sex in cowgirl, doggy spoons and after the circular bed drifted apart we did it standing with Bianca leaning over the massage table as she had earlier played with my arse decided to push my luck and insert a well lubed finger up her arse no complaints started to think i was not going to cum not girls fault i was getting hot and bothered no need to panic Bianca took me in her mouth and sucked hard and deep with a happy ending, this was Biancas first day and i was her first punt so nothing was too much trouble and she was very eager to please she told me she was only going to work thursday and friday my recommendation get to see this fantastic girl while you can great gfe
