The Story:

Found this one through PN and blondes and was well pleased. As soon as the money was in her hands I was off to the shower and she was in the bed room. Massage to start with but after a few mins she was working on my cock and massaging my balls as well. Turned over and we continued with o and rev o abd the eventually onto sex. She obviously likes sex and we had a good time as several positions. Finished off with my hands under her bum and me humping till I came. Very nice shag and good value.
