The Premises:

A very friendly and accomodating venue i found, was well greeted by reception of juice and biscuits along with intro,s to who was working, etc very refreshing to some of the attitudes experienced!

The Lady:

attractive and slim, i guess a slim size 10, after intro to the other girls i was at a loss to who to choose as all were in the "wow" bracket! a boring sunday afternoon in the company of five realy sexy girls thinking which one shall i have the pleasure of!! opted for attractive early twenties amy as she struck me as the more gameley one!

The Story:

a slight misjudgement on selection! a very nice and pretty girl who some would find ok, just not the "gameley" one as thought! after a brief massage reverse oral was met by the look of disbelief! a shying away to the touch! just seemed uncomfortable with everything, so a brief session of oral and that was the end! actualy found amy to be most pleasant to talk to but its not why i was there, a nice enough girl but woudnt choose her again, will def visit again as would like to see what the other girls have to offer.
