The Premises:

Lovely parlour on an industrial estate, but also very discrete

The Lady:

An absolutely beautiful tanned, brunette who has a Mediterranean look about her. About 25 years old, size 8 (?) and about 5' 4". What I noticed most about her apart from the lovely body and her pretty face was the beaming smile she had throughout.

The Story:

I was introduced to all four ladies on duty and all four were very pretty, but Lara's lovely cheeky smile did it for me and the smile never left her face all the time I was there. I went for the Soap Suds massage with extra services after that and had a brilliant time thanks to Lara's technique. I was very enchanted by her lovely innocent spoken word that had a real sauciness hidden behind it. A truly stunning lady and wonderful experience.
