The Premises:

Basement flat near Warwick Av tube. I am sure the flat upstairs knows exactly what is going on below!

The Lady:

Tall Swedish girl. Not quite the woman in the pics, but its a close approximation. Quite chunky, but in a sexy way - about 5ft 8, long blonde hair, big fake tits. Like fucking a Playboy Bunny with a few extra pounds on her.

The Story:

Great girl - a nice aggressive BJ, she kept ramming her mouth on to my cock and choking on it. Lots of playing with my cock with her tongue. Keen to get my cock into her completely bald pussy - then bounced her big tits in my face for a while. Got through quite a few positions, but you need to call the shots with her, otherwise she is the type that is clearly just trying to get you to cum asap. She wouldnt let me cum on her tits which was a shame, but a good run around the track anyway and a quality piece for the money involved.
