The Story:

Louise was welcoming and understanding it was my first time with a younger girl it wont be my last. we went to the room i wanted everything from this girl and i really did get it. i had to stop her doing oral she was very good and allowed me to gag her. i had a good few mins just touching her really firm boobs and shaved tight haven she nibbled my chest really sexy as requested and as i had booked anal i was allowed everything reverse oral cum on boobs etc sex was excellent i got a little carried away actually felt a lil sorry for her as i was a lil rough but no complaints at all from louise her moans said it all after which i took it easy with the anal she struggled a litle to start with but then again she is only small and tight which really did excite me and i was allowed to explode over her fantastic boobs im so glad i found her and i will be going on sunday again. to sum her up she is slim gorgeous exciting and worth all i paid, for what i got the price was amazing reccommend anytime thankyou Louise see ya soon xx
