Debbies place - well known, clean and safe

### The Lady:

Petite - ish. I suppose you would say mature, but frankly I never bother about age, it's general appearance and attitude that count and Jenny clicks on both accounts. Great legs, arse still lovely and firm to the touch, good pair and a very very very sexy twinkle in her eyes. One of the sexiest women you coul dwish to meet.

### The Story:

I was slowly coming down after my adventure with Sabrina and needed a good shag. Thought of Jenny who I've had several times in the past - she is actually rather short for my tastes but she makes up for it in other ways! She was wearing a short PVC-type dress which accentuated her legs and arse, so that when I unzipped the top sufficient to reveal a rather lovely bra I became very horny very quickly. Jenny responded and we groped and snogged energetically - what I love about Jenny is that I can get as "robust" as I like and she just laps it up - so to speak! We fucked each other for well over 30 mins I should think, Jenny giving at least as good as she got (which was a hell of a lot) until I succumbed to a very sweaty climax. A lovely, very energetic work out.
