she's just a gorgeous thing with a nice tight very little body

The Story:

when i saw her my pecker started stiring in my pants, this girl has the ultimate tiny fuckable body and that little pussy well. anyway i dont like to waste time so i got her naked and she started sucking me off and with a little direction gave a nice rimming attempt. finnished off fucking her doggy until i turned her round to cum all over her pretty little face which she wiped off a bit too quick for my liking but overall would recommend.
