### The Premises:

nice apartment with parking only a few yards from door and is very discrete.

### The Lady:

Good looking girl who is very flirty and engaging.

### The Story:

Found her through the FRs on PN. I wonder where all the independent girls have gone. But who cares when you find such a delightful one as this. She is up beat and all action so she gets my vote. Once showered and on the bed she worked away and I had a wonderful time and she is worth every penny. Did all the normal stuff and did it all very well. Delightful girl who is now a favorite of mine.
