The Premises:

A bijou cottage set in secluded location along a quiet lane in deepest Herefordshire. Easy to find from Lara's emailed instructions. Felt absolutely safe. Car tucked away, well screened from the road and prying eyes. Nobody about. Cottage spotlessly clean and well kept.

The Lady:

Lara has a slim figure, great legs, lovely pert breasts and adorable nipples. Skin smooth as silk. Navel pierced, tattoo on small of back, small triangle of closely trimmed pubic hair (but the 'target area' shaved). Lara obviously looks after herself and pays great attention to hygiene.

The Story:

I had been attracted to Lara after finding her (accurate) website by chance and reading her P/N reports. So I had been hoping to visit this lovely lady for some time and, at last, after a long car journey through beautiful countryside on a beautiful spring day I was met by the beautiful Lara.

We had had some contact by phone and email about what she was to wear but in the end I left it to her - specifying no 'uniforms', platform shoes, leather or pvc - in short nothing 'tarty'.

Lara came out to greet me and I saw she was immaculately dressed in a dark, sexy skirt suit, black stockings, high heels and looking very business-like until I realised that the skirt was extra short and there was no blouse under the suit jacket - only a black bra!

She offered me a shower so I was able to freshen up and brush my teeth (I had come prepared!). Back in her 'boudoir' with soft music playing, she offered me a drink and we sat together chatting in an easy and friendly manner as if we had known each other for some time.

But then I decided it was time to explore, and she stood for me to admire her in her sexy lingerie, after I had removed her jacket and skirt. My hand slipped between her legs and I felt that she was already moist and removed her thong. I had read of her fabulous nipples and they were soon exposed and receiving attention. Off with the rest of my clothing and she led the way eagerly on to the bed, lying legs apart, still in stockings and suspender belt that framed her enticing labia and clitoris. What followed after I removed said stockings and belt was an unforgettable experience with

a thoroughly sympathetic, eager and responsive woman. I won't go into more detail, but if I recommend that you give Lara's nipples as much attention as they deserve you won't go far wrong!

Lara is a lovely outgoing person with a sense of humour - the sort who (in different circumstances of course!) you would be pleased to introduce to your family. She is, I suggest, for discerning, mature gentlemen who will treat her with respect and courtesy and as a result will be well rewarded in bed.

At the top of my 'price-range' but absolutely worth every penny. A great experience that I shall long remember.

Thank you, Lara, although a 100 mile drive away, I am already scheming how I can meet you again...
