The Premises:

Very smart and clean apartment in Central London. Not too far from the station and very easy to find. Bathroom was a bit messy, but only because of the other guys throwing towels on the floor. Clean towels and robes available.

The Lady:

6 girls were available and I was able to have fun with Petra (told she is new and I think my favourite but I had to wait for her), Natalie, Cleo and Jasmine. Jasmine is very cute, a petite South American with a nice tattoo.

The Story:

Although I've been to clubs before, this was the first party I had been to and was chosen largely due to the very many positive reviews that I had read. I was a little anxious at first but found the hosts to be extremely friendly and welcoming. Although I arrived bang on time, I was very surprised to find that the party was already well underway, so I'm not sure why so many of the guys (at least 6 I think) had arrived so early. By the time I had showered (I was asked to) things were in full swing.

I was quite pleased to not be a wallflower, and was taken by the hand and introduced immediately to Jasmine, who is very petite and very cute. I already had my eye on Petra though, although I had to wait my turn.

The 2 hours went very quickly and were fantastic fun, with free drinks and no pressure or attitude from other guys. Quite a few of the guys seemed to disappear by the end of the 2 hours and I think some couldn't last the pace.

All in all this was tremendous value for money and I will probably visit Lady M again when I am next in London, although I would like to meet some of the other girls.
