The Premises:

Large apartment block on the corner of a wide but quite street. Flat located on 1st floor - nice room with candlelights.

The Lady:

Extremely pretty girl. Far better than photos, a killer body and smile. Met me in pretty lingerie.

The Story:

Greeted me with a big smile and some sexy lingerie. Proceeded to undress me and I returned the favour. Some nice DFK where I had to take the lead. Was blown away with how perfect her petite body was -tanned skin, excellent breasts and curves in the right place - perfection (amazing deep blue eyes on top of her pretty face and spectacular body). Asked me if I wanted owo or cbj - I went with owo which was solid, though I did have to ask her to slow down. Sex in many positions with me finishing on her breasts. Second round started with a massage and soon led to another wonderful session. Extremely beautiful and pleasant girl - you will not be disappointed. Also goes by the name of Schatzi and Georgina on some other websites.
