The Premises:

Nice clean small terraced house, I wouldn't mind living there! It's near The Tree House (may have changed it's name since), just up from Swan and Sugarloaf. Nice enough area, residential, reasonably busy road, front door on to pavement.

The Lady:

Sue Lee (I'm sure it used to be spelt SueLi) is a Chinese woman whose been around Croydon area for years. I last saw her in the house at No 94 in Waddon - now closed. I think she's got a cute body - not bad given she's in her 30s (I'm nearly 50 to give you some perspective). I found her really honest and cheeky too. She's only just this week set up again, just by luck came across her on acemassage. She said she's getting another girl too, probably younger.

The Story:

Had a shower - very nice for once! Then on with the usual services for that price and duration - for me this time it was OWO and RO. She's very sexy and friendly and is very responsive.
