Pia was dressed very attractively.

The Story:

Pia opened the door to her flat with a lovely smile on her face and immediately I felt completely at ease. She offered me a glass of water which I was pleased to accept. We adjourned to her bedroom where we discussed what I wanted and what she wanted. She was smiling all the time and I was completely captivated by her looks, charm and personality. This was my first visit to Pia and I couldn't believe my luck!! She helped me to relieve me of my clothes and kissed me beautifully all the time. She then removed her dress to reveal some beautiful and sexy underclothes. What happened during the next hour is something between Pia and me, but she was simply wonderful. She kisses beautifully and I would have been happy to spend most of the hour doing just that. Pia however had other ideas and everything I wanted was available and given to me by her. Oral both ways, o.w.o. delivered beautifully and sex in as many positions as I wanted. Pia has very sensitive nipples which you can kiss but not suck and doesn't do CIM. but no matter. I am an old guy and sometimes I find it difficult to achieve a "happy ending". Sadly this was one of those days but it was entirely down to me. Pia did her best and was very patient(she does not watch the clock), but nothing was happening in that respect to Pia's disappointment. She was very understanding and explained that sometimes this happens to younger guys than me. Pia has a wonderful attitude and is a very beautiful and intelligent Lady. Just her company was worth the ?130 I paid; anything else was a bonus so far as I am concerned. I am quite sure that some of the Ladies charging ?200 plus per hour do not give half such a good service as Pia. Pia only sees two clients a day and this shows in her attitude. One thing though, Pia is a Lady and needs to be treated with great respect. Remember this and, like me, you will have an experience you will never forget. I can't wait to arrange a return visit. One note of warning though, Pia could be seriously addictive!! Thank you Pia, you are a real star and a lovely Lady.
