Nice flat, easy to find in a good area. Easy parking too.

The Lady:

As per photos, she's wonderful brunette with a body to die for.

The Story:

At first she was a bit distant, I was actually afraid to have made a mistake, however after the first moments she relaxed and we got along well. We explored each other's body, she has a very nice oral technique. I licked her pussy for a while, but the best was, undoubtedly the sex. She is quite elastic, with her legs wide open was really something hot. Only after a really good shad I managed to reach a very satisfying orgasm. All in all a good girl, a bit limited on the services she offers but I can recommend her.
