The Premises:

The establishment was safe located in a quiet area, so discretion is there. It was clean and felt welcoming.

The Lady:

Good representation of her on the website. She is the perfect hight and size for me, so I enjoyed myself immensely. Perfect.

The Story:

Jenn looked fabulous in her sexy lingerie. As soon as I saw her I forgot about my nervousness and couldn't wait to get started. I would've finished too quickly to have enjoyed myself. So I was grateful that Jenn took the lead with sensual kissing and exploring with hands.

Later things got more 'naughtier' and we both finished up in a passionate embrace kissing each other as our carnal desires were fulfilled. Outstanding encounter.
