The Premises:

A nice safe area felt nice and secure. The flat was tidy and clean.

The Lady:

A lot of reports say this, but her pictures do not do her justice. For starters she has long dark hair, great ass, fantastic tits and nipples

The Story:

Short version: fantastic oral, A, 69, shaved, great kisser, cowgirl, reverse cowgirl (she has strong legs and stamina) etc etc And will be seeing her again, something I normally don't do.

Long (er) version;

I've seen a lot of girls over the years. Although I have read a lot of reports I have never submitted one before, I feel this one is worth sharing. I knew I was in for a time as soon as I walked through the door. I had a quick shower and when I came back my feeling was justified, she had 'slipped into something more comfortable'. I had booked for one hour but ended up extending it to 1.5 hours (alas work beckoned). She's an English lass with a brain and we got on like there was no tomorrow. Zara got me going 4 times which is double my usual. I did not feel rushed at any time and although I was the one pushed for time we ran over and I was late for my meeting.

Oral 10 out of 10. I don't normally go for A but this was hot, she guided me in and pushed against me and did something with her muscles that made me come much faster than I thought I would. I normally don't go down on working girls but I was too horny and I could not help myself. Suffice to say, she was clean and shaved and wet. She is flexible as all hell, which made for an amazing visual?
