The Premises:

This flat is located behind Westferry DLR station. Although in a council estate it is quiet and safe. The inside is ok and there is a shower facility.

The Lady:

Lily (seems to be a commonly used name) is a Chinese student, about a dress size 10 with small breasts.

The Story:

Lily was the voice on the phone who gave me directions. Her English is a little hard to understand so I had to be patient. Although she is no beauty she is intelligent and interesting to talk to which for me adds to the occasion. She was wearing a jumper, denim shorts over black tights which I find a turn on. I paid ?45 for a 1 hour massage which was very relaxing. I loved the conversation with Lily and my anticipation built up. I turned over and the massage continued. My hand wandered up Lily's leg and on to her bum and after a few minutes she asked if I wanted a happy ending. I tried to persuade her to take her top off, but she said that she didn't do it. She left the room and another girl, in her 30's, called Judy came in and she took off her bra and skirt to reveal a nice pair of C cup breasts, plus she had sexy black tights on. The HR was a bit too firm, but I reached a satisfying climax all the same.

The HR is an additional ?20 which I assumed was clothed, so I paid ?40 for topless which may not have been necessary. As I was dressing Lily re-entered the room and asked if I enjoyed the happy ending. I said I was hoping she would have taken her top off and she whispered in my ear, next time because I know you now, so I probably will go again for a complete session.
