The Story:

Although Jamilla was busy when I arrived I decided to wait and had a nice chat with the receptionist in the living room until she was free.

Once she was free the questions was would she be worth it and the answer was a resounding yes!! Jamilla came into the room stripped off and asked if I wanted a massage after saying I didn't she pounced and we had some of the most intense DFK I have ever had with a working girl.

This was followed by OWO which again was excellent and then I decided it was my turn so proceeded to RO, this lasted a good while until she came. Once she had come we had a bit more OWO followed by a good bout of sex in Cowgirl which she seemed to enjoy just as much as me, even looking into the mirror to watch herself bounce up and down on me. This was over all too soon (my fault) and even after I had come she still ground away for a good while.

After cleaning up and recovering we dressed and I left with a satisfied glow. This is one girl who either enjoys her work or is an actress worthy of an Oscar. Will I return ? yes!!!
