The Premises:

Very nice house, very clean and comfortable, on outskirts of town, in pleasant residential area. Felt very safe, I didn't have my car but parking would not be a problem.

The Lady:

40 years old, very attractive blonde, 5'5"ish, nice curvy figure, lovely blue eyes, warm, friendly, chatty and very easy to get on with.

The Story:

I wanted a GFE, Cat offers this with lots of very nice kissing and is keen for you to enjoy yourself as much as possible. She is very enthusiastic with everything and never stops talking, this might annoy some people but I loved it. Met me wearing a little short black dress and high heels, she looked very sexy, offered a drink then straight upstairs to the bedroom. We sat and chatted for a while, then we slowly undressed each other then onto the bed, lovely blow job with lots of eye contact, on with the protection and straight into cowgirl with Cat gripping the headboard and quickly riding herself to an orgasm, then over onto her back for more before finishing me off with a wonderful CIM. We then chatted, kissed and cuddled, she's very easy to talk to and funny too. Cat's clit seems very sensitive and when she was ready I then gave her some very responsive RO to orgasm. I'm no teenager and didn't think I'd be able to cum again, but she had other ideas so we tried doggy with me standing and her kneeling on the edge of the bed, which was great and I think she came again, but I couldn't manage to finish. I was happy to give up but Cat had other ideas and a combination of oral and probing with her tongue around my balls (I knew I bought that body groomer for a reason), eventually I came a second time. This is my second visit and I think this lady's great and spent two fantastic hours with her.
