The Premises:

Dartford's mature massage parlour seems pretty well established and has several reports, one of which I submitted myself a couple of years ago.

It is above a launderette in East Hill, has plenty of free parking and is reached via the back garden, which is on the opposite side of the road to a tyre-fitting place.

The presence of one or two grease monkeys is slightly off-putting, but once you're through the wooden gate you are out of view, and, once up the stairs, the place is clean and tidy.

The Lady:

Anna is billed as 46 years old and that's about right. She is slim and petite with shoulder-length dark hair, a lovely pretty face, a pierced belly button and a wonderful pair of DD breasts, which have very suckable nipples. Her pussy is shaved.

The Story:

I had read a couple of reports about Anna and, although I was ambivalent about the place the last time I visited, I thought I would go along.

She had just gone in with another punter so I had to wait, even though this meant turning down the curvy (not fat) and very horny-looking Louise.

But it was certainly worth it.

I paid ?80 for a 30-minute session with massage, oral without and sex, and once she came in we were soon having a lovely wet snog like two 13-year-olds.

She gave me a massage with plenty of ball touching, before i pulled her knickers to one side and went down on her.

She came, then sucked my cock with plenty of eye-contact and a wonderful technique, before we had a 69, during which she once more came in my mouth.

I loved the taste of her juices and we continued to French kiss before fucking.

We fucked in several positions - missionary, side-saddle and doggy - before at the 30-minute point there was a knock on the door.

As Anna looked in the mirror I finished inside her on all fours, before cleaning up and going.

I've had plenty of experience with working girls down the years - some good, others poor - but Anna was right up there with the very best of them.

She is a very horny older gal, and I will definitely be going back when I can to slurp on her once again.
