The Premises:

ground floor flat on quiet road not far from walsall town centre, parked short distance away but area seemed ok. music playing on entering room, clean and functional.

The Lady:

as previously described, 5`6 very slim blonde hair all over tan with a pleasant face and lovely smile, mid forty`s but looking good for it. small breasts but fabulous nipples and shaved.

The Story:

not submitted a field report for a while but after seeing kim i felt i had to give this lady some credit, i cant add much more to other reports other than kim is such a lovely lady and well worth visiting, made to feel very welcome on arrival shown to room and after sorting the paperwork got down to some wonderful kissing followed by some oral w/o, on with the rubber and some slow cowgirl finishing off with cim. kim then cleaned me up chatting as she did and never felt rushed once, great service all round and well worth the money, kim can show a lot of girls what a quality of service is all about. treat her well lads shes one nice lady.
