The Story:

After my last fiasco with my booking for Kira I was hesitant to try again but my persistent nature got the better of me. Was not dissappointed when she arrived - though she did remind that she had been to my place about 10 months ago when she first arrived in London under a different agency, photos and name. She is looking much better now. Great service her oral technique has certainly improved. I was a bit surprised that I did not recognize her straight away. It felt like I was rehooking up with an old girlfriend. Two excellent rounds. No hesitations recommending (if the agency sends the right girl)
