### The Premises:

Based at the old Annabella's so lovely and clean. Now has a reception room as you enter which was comfy and the room i was in had a massage table and a nice ambience.

### The Lady:

Gorgeous Thai girl, petite with not an ounce of fat on her. Facially very pretty and fantastic body. In Thailand she would be a "10"

### The Story:

First field report but have never until now felt the urge to. I am a long time visitor to Thailand (over 12 visits now) so when i met Myleen we clicked straight away by me speaking Thai to her. Gave the money to her and undressed, waiting only a few minutes for her to return. Lay on massage table and Myleen started to work her Thai magic. Light touches, gentle strokes, all combined with a good "proper" massage which had me so relaxed, while all the time we were speaking about Bangkok and all things Thai.

When i turned over i was already standing to attention but there was no rush to get to it with Myleen still massaging my upper body, legs and feet etc, all while not letting me forget she knew it was there by gently brushing etc. Oil was then dripped over my member and rubbed in gently and slowly, building up to an amazing climax which left me drained and in a state of relaxation.

The sound of Myleen's Thai accent, the sunshine, the heat and feeling of wellbeing made me forget i was in Milton Keynes and as i showered i was debating whether to get a Tuk-tuk or river taxi home. This is one of the best experiences i have ever had with a fantastic girl in a fantastic place. Thanks Myleen, cant wait to see you again. From Pumpui!!!
