The Premises:

Clean and tidy up a small alley off the main road. I have been visiting Melissas for more years than I can remember and always feel safe and comfortable. I am 61 now but have always managed great sex here with many of the girls.

The Lady:

Stephanie is a very lovely sexy young woman. She has great breasts and a body to match. She puts one at ease the moment you meet. Very easy to talk.

The Story:

On this occasion I chose Stephanie and on arrival was taken into one of the two bedrooms. I explained that I want her to undress me and for me to undress her and was looking for just a tease. She went out to get ready and when she returned she found I had taken some of my clothes off and was told off. I then slowly ran my hands over her body and unzipped her to expose her great boobs. We were soon both naked and I was taken to the bed where I lay face down while she ran her hand over my back, legs and thighs. She ran them up between my legs touching my private bits sending tingle through my body. I then turned over and she played with me bringing me to the edge on several occasions and then pulling back. I then played with her running my hands all over her body which aroused me more and I nearly came several times. We talked about sex and my fantasies which really turned me on. The great thing about her was that she honoured my request not to cum and I left a very happy horny man ready for my wife. But that is another story between her and me and Stephanie when we meet again. Thanks Stephanie. I will be back.
