The Premises:

Selena is in Glasgow at times , but today was at a flat in Motherwell.

High rise flat , parking ok though and concise directions from S. to assist.

Perfectly clean flat & bedroom and no shower but a bath was waiting on arrival.

The Lady:

Average looking , average age , average build.

Erotic piercings, her skills & "likes" are what attracted me though (details to follow.....)

The Story:

Selena says she has a love of anal , and I was keen to try this as has always been a dissapointment when other girls say they "do".

After freshening up in quick bath (was a hot day) , into bedroom with S. Dressed as asked. No massage (fine) as you get the impression this lady is into her "job" big time !!!! (she is). Kissing & fondling ensued then oral which took my breath away (had to slow down) then toys on her while I watched and wanked over her "show" and feet / stockings / high heels. Sex commenced (protected of course) with her asking where I wanted to fck her. Only 1 place I was going and it was amazing !! A proper fck in her rear whilst she tickled her clit & my balls with a vibrator. NO extra charge !! Fantastic !!!!!!!
