The Premises:

As has been described before it is a modern apartment complex just outside of Moseley with safe parking behind gates (we had a bit of fun and games getting the access code!)

Inside it is clean comfortable and well appointed. I think she works with another girl.

The Lady:

What can I say that has not already been said. I doubt very much that I will ever have the pleasure of a more perfect young body. Marta has beautiful soft skin a peach of a bottom (more later) and beautifully enhanced breasts with nice dark prominent nipples.

The Story:

This surely is as good as it gets! In fact I may give up the hobby now as I know it will not get any better.

Marta is charming and sensual from the very moment you arrive and follow her down the dimly lit hallway.

To start with she ran me a bath and when I was in and relaxed she joined me giving me a wonderful soapy massage with her bottom and pussy. Having got me all clean she proceeded to give me a wonderful uncovered blowjob. Heaven.

Once we got to the bedroom and dried each other off it was more mouth action and I offered to give her pussy some attention. So we got into a 69.

I can honestly say I have never seen a prettier pussy! Marta has quite prominent lips but when you part them it is like opening the petals of a flower revealing a lovely pink inside! I think I just about managed to make her come before I had to stop her!

I then asked if I could fuck her bum and she was only too happy to oblige. With a little lube and a little care I was soon potting the brown! Marta seemed to take me quite easily (but then I am not that big!) never having really done anal before I didn't last long but soon emptied my first load into the cover.

After a little rest and a very pleasant massage we got back to action with Marta teasing my cock with a condom covered vibrator! Some more oral action on here (this time she definitely came!). Before Marta finished me for a second time with some delightful uncovered oral.

Marta's English is not brilliant but she makes up for it with sheer sweetness.

I hope she is not under any duress to do what she does (I am always a little wary of Thai girls) but she certainly seems to enjoy it and was never sullen or less than welcoming.
