### The Premises:

usual high Scorpio standards - meticulously clean. Good welcome from Charlie at the desk.

### The Lady:

You wouldn't immediately be struck by Nicole's appearance - tall (5ft 10), rangy, almost thin. But she possesses personality in bucketloads, with oodles of smiley conversation. So not beautiful, but MOST attractive.

### The Story:

Nicole knows the biz all right. She stripped off and had me up in no time. She loves fingering (and being fingered). Has sensitive firm nipples that she loves having gently licked. So we worked together in mish, cowgirl and various others before enjoying a bonkfest of doggy.

She's showed her sinful side at the end. When I shot my load, the big fellow naturally remained erect for just a short time....but Nicole saw no reason to blow the final whistle. She shafted herself back and forth until I had nothing left and she'd gained the last ounce of pleasure.

She confesses to being a thoroughly unstressed lady, and puts it down to her enjoyment of orgasms.
