The Lady:

After nearly 20 years on the punting scene I have become used to treating feedback with a little scepticism. I have , however , never been disappointed with the ladies from Prestige and Helen who runs the agency gives very accurate information.After a long time a got the chance to see Tegan, and am I pleased I did!Everything that has been reported about her is true and more besides. She is beautiful,has a fantastic body, intelligent, interesting and much more besides. She has a smile that would melt a heart of stone. I know it's a cliché, but she is so much better than her photos represent. Every time I looked and listened to her I just wanted to kiss her, and she duly obliged. She is perfection as far as I am concerned, and if I could,and she would, I would marry her tomorrow.

The Story:

I do not want to go into details, but Tegan seemed to know instinctively what I like and how I like it. What she is like with others, I don't really care about, what I do know is that I wish I had the opportunity to see her more often.I have searched for years for the perfect lady and at last I have found her. The hour flew by and I am still kicking myself for not extending. Nevertheless I am seeing her again next week and I have butterflies in my stomach already.Thank you Tegan and you too Helen for arranging for me to see the best I have ever met.
