### The Premises:

As described in previous FRs. Short walk from Earl's Court tube station on a nice square. To be honest, I was not that impressed with the bedroom or the bathroom. Okay. Nothing more. No problems with sense of safety or security.

### The Lady:

Very pretty 28 year old Russian Italian lady. Small boobs with sensitive nipples. But everything about her body is in very nice proportion. Standard brazilian with a very nice landing strip.

### The Story:

Not the GFE I was expecting really, having read all of Dani's previous FRs. Observing her during the course of our two round session, her actions and reactions, at no time was I under any illusion that Dani was anything other than a professional businesswoman.

Having said that, her OWO is very nice. As is her cowgirl. Although she was not able to tip me over the edge with either.

Dani allows DATY and fingering (she has a prominent and dare I say it, complicated labia). She likes to engage in what seemed to me to be a bit of fake moaning. But no FK. Only light, thin lip kissing and I got the impression that she would prefer not to kiss at all.

Dani is at her best when she is taking the lead. She tries hard to get you off. I found when I took the lead, she was happy to lie back and doing nothing without being the least bit responsive or engaging.

Dani is a great talker and our session and the gap between rounds was punctuated by lighthearted banter. She can be very amusing and funny. Interestingly, she told me that she never drinks alcohol which does not seem to square with one or two of her previous FRs.

All in all, an okay but not great punt. As I say, the GFE was really lacking - it was just matter of fact sex. If that is what you like, Dani will suit you just fine because I got the impression that is the way

she likes it too.

Finally I should make it clear that while Dani is listed with 90 minute, I in fact arranged our meeting via her own website, email address and cellphone number, all of which are detailed in her previous PunterNet FRs.
