The Story:

When I arrived I was very lucky since the ladies were enjoying a quiet period and were in the process of making their dinner (I could smell the food).

The receptionist made me seated whilst she went off to get the ladies to introduce themselves I have to admit the choice was not easy as they were all quite cute.

I was very tempted to see Katie, a busty dark haired beauty and also by Colleen another shapely brunette.

However as soon as I saw Abbie I knew I wanted to spend time with her. Having tried on two previous occasions to book her at Haley's when she worked there, I was overjoyed when she entered the reception area at Samantha's and breezed over to meet me.

What makes Abbie so sexy?? ?well I will try to describe it.

Abbie has a certain ?je ne sais quoi?!!

It is difficult to pinpoint exactly ? just something about her which makes her very attractive and irresistible.

The receptionist took me to the room and gave me a towel.

I was just drying off from the shower when Abbie entered the room ? I looked at her again and knew I had made the right choice.

She took off her bra and pants ? leaving only her stockings on, then asked me to lie down on my front ? Abbie then started with a very arousing body to body massage.

I could feel her nipples and legs brush against my back as she kissed her way down from my neck to the base of my spine.

Ooooooh very erotic!!! Abbie is quite skilled with her hands and her lips. I then turned over and we snogged for a while before she applied the condom using her mouth. Covered oral was followed by sex in a few positions i.e. cowgirl; missionary and doggie. Being inside Abbie's pussy is a very

pleasurable experience and eventually I could hold back no longer and I came.

We had about six or seven minutes afterwards where we lay on the bed together chatting during which she explained that since Haley's had shutdown, she also now works at Bunty's / the Wonder Lounge.

As far as I am concerned this is part of the 'true-GFE thing' which makes spending time in this wonderful woman's company feel different. Girls at other parlours are off the bed and out of the room as soon as you finish. However Abbie lay with me chatting (just like you would do with your girlfriend after sex).

To sum up would I recommend a visit to see Abbie? ohh yes? definitely.
