The Premises:

A very nice clean flat with a descreet back entrans that is not at all overlooked. Good parking very close and only a short walk away which makes the visit very private.

The Lady:

Well I have to say I had tried a number of times for an appointment with this lady, see is very busy and when i saw her I could seel why. The word 'stunning' just does not do her justice, she is breathtaking and her photographs do not do her justice, believe me she is better in the flesh. I could not stop looking at her.

The Story:

Within seconds of entering the flat I felt like I had known her for years, she has great conversation and is so easy to get on with. If ever I need a lady to accompany me she will be first on my list she would certainly turn heads with her stunning looks.

Once upstairs she started with a drink, chat massage and the most beautiful french kisses which progressed onto 69 and sex in so many possitions. This was a visit I will never forget and I highly recoment this lady she is sheer class. Thank you for a great time. I will be a regular from now on.
