The Lady:

Absolutely stunning, legs which go on forever,great boobs. I bet she stops the traffic when she is walking around town. She looks years younger than her actual age. Helen at the agency told me that once I saw her I would never want anyone else. She was so right!we clicked immediately, but I suspect that you would have to be brain dead not to be attracted to this lady.

The Story:

I did make the biggest mistake of my life when I booked originally for 90 minutes.I did manage to get another 30 minutes but wanted to keep her all night and would have done if she hadn't got a late booking. Having said that, I think this old guy's heart would not have held out after a night with this goddess.She kisses as if it were an Olympic sport and she roused me more in 2 hours than anyone has done in the last 30 years.We both reached mutual and spontaneous satisfaction twice despite talking almost non stop.She is insatiable,adorable and incredibly beautiful.So many of the escorts I have seen over the past 15 years have gone through the motions or pretended to be interested, Valentina is genuine and simply magnificent and I can't wait to see her again. I hope it is for an overnight although I may need some form of resuscitation before daybreak. She is superb!
