### The Premises:

New oriental flat near Caledonian Road tube. Entrance is a front door on a main road, but quite busy, so unlikely to attract any attention. Was asked to wait in the dining room for 5 mins while the girl got ready, and had a friendly chat with the maid. Working room large and clean, with a good firm bed. Speaking to the maid afterwards she said they were still quiet as only been open a couple of weeks - and asked me to recommend them to my friends!

### The Lady:

Possibly academic, as she will be moving on to another flat after this week, however worth documenting as one sample of the quality of service provider at this new flat.

Early 20's half-Japanese, half-Taiwanese, about 5'6 (so tall for oriental), pretty face, long dark hair, about a size 12 nicely curvy (about a C cup, felt natural yet firm with a shapely bum).

### The Story:

?100 for hour included ?10 for OWO. Was offered the usual massage but declined in favour of some cuddling and stroking, which seemed well received.

Kissing started as closed lip pecks, but in this case a little reciprocal care and attention paid dividends in the form of some open mouth kisses and a show of increasing passion.

We played for about 50 mins of the hour with a mixture of kissing, caressing, OWO, RO, and sex in several positions. Last 10 mins was mutual cuddling and stroking.

What I haven't mentioned is lots of smiling, laughter and just enough of a sprinkle of flirtatious chat. (Tina's English is not bad)

In other words a surprisingly good GFE at standard oriental flat prices!

It will be pot luck to find this lady again, but based on this experience I would certainly give the flat another go.
