The Premises:

A ground floor flat, clean and tidy, about 4 minutes drive from M6, junction 9. Before you get anywhere near Walsall town centre, so easy to find. Plenty of free parking outside, just unfortunate, that entrance to flat is near busy road, just glad Kim answered door quickly and I was inside, and wow what a lovely sight greeted me, it made all that nervousness outside, going up the steps, worth while.

The Lady:

I originally intended to see Kellie, (saw her favorable details on a field report) but trying to fix up a meet on the phone (she sounds nice) was proving a no go, she was not going to be available today or for the rest of the week, so she suggested her friend Kim, and coupled with the good reports I had read about her, (particularly from Mr Pusseyhunter, who is always very good and informative) I thought why not.

Kim is tall and attractive and friendly, blond hair, lovely all over tan, chatty, puts you at ease straight away, although a little older than some of the girls I have seen, I can have no complaints on the service and value for money given.

The Story:

I can only echo what everyone else has said, she does the lot, bar anal, she wants to please you and at no time did I feel rushed, when the pleasurable time was over, she cleaned me up while we chatted more and I certainly went out with a smile on my face and feeling satisfied. I will definitely be back to see her, and maybe I will take a leaf out of Mr Pusseyhunter's book, and try a two girl with her friend Kellie, when she gets back from Ireland.

All in all a good day's punt, thank you again Kim, until the next time,
