### The Premises:

Easy to find, quiet location, safe parking on street outside, nobody about, felt absolutely safe. House spotlessly clean, tidy and well furnished. No reservations about it at all.

### The Lady:

Patricia is in her 50s with a good figure, and is well described on her page on Judy's website. Her pussy is not shaved but her pubic hair is nicely trimmed.

### The Story:

Patricia knows what a man wants and makes sure he gets it! It was a fantastic experience.

Within seconds of my crossing the threshold, her tongue was in my mouth and my hand was up her skirt. Then without more ado it was straight upstairs into the bedroom. I handed over my envelope, she texted Judy to confirm my arrival and we were away! She unbuttoned my shirt, unzipped my trousers and was quickly on her knees giving me a blow job. I stripped her and she lay on the bed, legs apart, ready. As I undressed, I could not resist smelling the lovely scent from the crotch of her discarded thong before we started a most intense and mutually enjoyable hour of totally uninhibited LUST.

The time passed all too quickly and finally she suggested I came all over her. Instead I chose to CIM and she swallowed. Unfortunately, I had to turn down her offer to let me use my camera phone to take a souvenir shot of her pussy - it was too big a risk for me!

Then a shower, and I was away - but I just had to stop down the road to ring Judy to thank her for having such a superb woman on her books. And if you read this, Patricia, you were great and I can't wait to get back for another session. I haven't stopped thinking about what we did since!
