The Story:

Looking for the youngest blonde I could find, I went for Charlie, she opened the door wearing a sexy combination of sexy underwear, her slim and young body dressed like that looked amazing. First a nice massage then she knelt between my legs and proceeded with a mind blowing OWO. Her face looks so young and while she was sucking my cock she had a look on her eyes that almost had me cum. After the OWO and the rimming, we had 69 then I penetrated her young and tight pussy, we had it in various positions then had anal, I took it off just one second before to cum. She knelt again between my legs and opened her mouth like a bird waiting for my cum. I covered her face with my spunk, and then she took it back in her mouth sucking off even the last drop i've left in my balls. Charlie provided me exactly with the PSE experience I was looking for. 10/10
