The Story:

Having read Peter Pecker's report for 8 June, I was keen to meet Ellie, a new addition to Debbie's roster. The photos on Debbie's website don't show the ladies' faces, and so I was pleasantly surprised by Ellie's attractive, youthful looks. She introduced herself, and told me about her services. Debbie's establishment has built its reputation by offering high-quality basic "vanilla-flavour" services, and Ellie is unusual in bringing additional specialities to the mix. She offers anal sex, and OWO/CiM, each at a modest extra charge on top of the standard rates. She told me that she only worked one day a week, and because of that, her level of enthusiasm was always high.

Ellie was genuinely personable and friendly, and was evidently enjoying herself throughout the session. I opted for OWO, and was pleased to discover that her skills were very impressive. This wasn't just a blow-job, it was deep, full-on hands-free oral stimulation from an expert in the art. Time passed all too quickly, and although the session ran for the allotted time, it didn't seem long before it was all over. Afterwards, we chatted for a while, and at no point did I feel that Ellie was in any rush to bring the proceedings to a close. She reassured me that she hoped to be staying at Debbie's for some time yet, working on Mondays. Mondays will never be the same again.
