The Story:

Before I start my FR just a mention of Mrs D who turned out to be a very fit and a very nice lady. Dropped in to Annabella's as she had asked me to contact her on here ref my last FR. Had a brief chat and she immediately offered me a massage on the house with either Lottie or Armani. Massage is not normally my thing but would have been rude to refuse. Excellent service, I left with a smile. Thanks Mrs D & of course Armani. Back to Elise. Well I've visited a fair few of the HOD girls but I don't always think a report is warranted, on this visit, it most definitely was. I was amazed to see the 2 neg reports on Elise when I got home. She greeted me at the door with a smile and a kiss, looking hot. I asked for a shower as I think it's always nice to be fresh and not have sweaty arse syndrome. I came out of the shower and she was eating a strawberry. She waited for me to dispose of my clothes and then kissed me so passionately I could have been Brad Pitt. We stood kissing for some time while I explored her body. She then sank down and proceeded to give OWO as if my todger contained her favourite flavour and she also paid attention to my balls. I was desperate for some 69 so we got onto the bed and I tasted her sweetness. I had to cut short, Elise's OWO was so good but I wanted to complete the job, so on with a coat and into doggie. Beautiful! Soft, silky smooth skin gorgeous arse! I'm getting hard just thinking about it. Managed to keep going for a while then decided I wanted to use my tongue again! Then back into 69 for the finale. Wow. I was spent and I felt pleased with myself. Elise is beautiful! I am definitely not Brad Pitt and I doubt that my Todger contains her favourite flavour but guys this lady got her cut out of the ?60 I paid and provided an excellent service. No clock watching and the GFE I wanted. Will I go back? Is the pope Catholic? You bet I will. Is there 2 Elise's? you'd think so after the last 2 FR's
