### The Story:

I hadn't reckoned on seeing more than one girl in the same morning, but I wanted to blot out my experience with Roxy as soon as possible. So after half an hour in a cafe I took myself off to Thai Paradise.

What a contrast. Having paid the manageress £20 house money? I was shown up to a light, airy, clean room, with a double bed, a pile of freshly-laundered towels, and a clean shower, and offered a range of drinks. I took off my clothes, sipped on my orange juice, and waited a few minutes, until Nancy walked in.

As soon as I saw her I felt positive. She was just over five feet tall, had a big welcoming smile, long dark hair, and a gorgeous body, neither fat nor thin, with natural boobs, and a beautiful, firm, rounded arse. She looked late twenties, though in fact, as she told me, she is early thirties. We had a hug, then she took off her clothing (my mind has gone blank as to what she was wearing), and at my request lay down on her tummy, so that I could give her a massage. I applied oil lovingly to her back, thighs and buttocks, then, when she turned over, continued over her breasts and stomach, then concentrated on her shaven pussy. This was clearly giving her pleasure as well as getting me very randy and she opened her legs for me and made no objection to my putting my fingers inside her.

All the time we chatted pleasantly, and after a while of me fingering her she asked me what I wanted to do. I said I could afford half an hour, and she told me that would cost forty pounds. We broke off whilst I got the money - this could have been unsettling, and in future I shall make a point of sorting the money out first - but on this occasion it didn't bother me. Nancy then produced a condom and put it on me. She offered me her bottom - I'd been groping her from behind and I think she assumed I wanted to do it doggy, but when I asked her to turn round she did so at once, and we fucked missionary.

Afterwards she had a shower whilst I lay watching, then I showered and she took the towel and wrapped it round me and dried me. Then we chatted in a relaxed, unhurried way, not just exchanging empty time-killing pleasantries, but sharing something of our lives, as she told me about

her family back in Thailand, her experiences in the UK, her hopes for the future, and so on. By the time I left I felt like we were friends.

In summary: Nancy is a lovely, sexy, friendly, obliging girl, who I would go out of my way to see again, and this was a five star experience
