The Premises:

All been said before, a very well kept house, clean, friendly staff, good looking ladies etc.

The Lady:

Stats on the web site are correct ? in my eyes ?the perfect package?

Strawberry blonde hair, the most amazing eyes, firm full boobs, perk bottom, & a great personality _ not to mention Gemma is a very good looking lady!

The Story:

Normal shower etc, porno playing in the room; which is slightly small, but big enough for the job in hand.

Gemma, who I had chosen from three available ladies, re entered the room wearing bra & thong (norm dress for this establishment),

Sorted the money out, there then followed 30 mins of Gemma ?Spinning her Webb of sexual heaven? ? this lady is f***ing brilliant ? she does not do OWO or anything A ? other than that she does everything very well!!!!

OW has to be experienced to believe how good Gemma is, eye contact most of the time, encouraging sexy remarks, deep throat (I no small boy, not bragging, a fact), ball licking, delightful 69 ? sex in three positions, all of which were fantastic ? this is a real ?GEM? of a Gemma.

Out of the 200 plus ladies I have seen, Gemma is in the top 5 ? she is a true 5* professional & needs to be experienced to appreciate the pleasure this lady can give you.

Would I return, no doubt about that ? in fact I did next morning, see next report ? but GEMMA I will return to see her without any doubt at all.
