### The Premises:

Scorpio is Scorpio! The shower drain was blocked, but does that matter?

### The Lady:

When I first met Brianne, while waiting for another lady, she was wearing a shiny red PVC jacket, so what showed was her blonde hair, blue eyes, and effervescent good humour. She looks early 30's. She likes people! This time she was wearing a see-through long black dress, so her substantial bosom was on display for admiration. She has a figure that must be envied by many of her colleagues.

### The Story:

You don't expect the world to move on a 45 minute appointment, but I went away with a spring in my step and a smile on my face. After I had happily shot my bolt, in stead of jumping off, washing up and getting ready for the next punter, she suggested a back rub (having noted that I was certainly not going to be able to have a second go) and very enjoyable it was. She is certainly chatty, and why not? She also remarked that the first requirement for working in a parlour is to like sex. She clearly does, while by no means all of her colleagues do.

A very nice punt. Thank you Brianne!
