The Story:

A very good visit , welcomed by receptionist ,Sarah i think who was very sexy in her own right(I wonder if she works?) shown to room and took shower . waited for Caroline. Entered and greeted with some very sexy kissing , nice GFE covered oral,(offered choice) and a great fuck to finish . could really be tempted to spend more time with her next time. Its just a bit too far from home but great value and a crackingly sexy lady. Will return if only to wonder about the receptionist !
