The Premises:

Her place was very clean, and in a safe area.

The Lady:

The girl who answered the door was pretty, slender, shaved pussy, and nicely dressed.

The Story:

She did a very good job, was enthusiastic, and the overall experience could only be described as a true GFE. However, the girl I spend the hour with was not the person shown in the photos on the website. I consider this a fault of Aurum Escorts, especially since I specifically asked the receptionist if the girl in the photos was the one I would meet. Their dishonest answer was that she was indeed the girl. I further believe that this girl is not at fault, as I recognize her from pictures on other websites.
