The Premises:

Very well reported already , but discreet parking and entry, friendly reception, and generally excellent.

The Lady:

Tall slim girl with short hair, giving her a rather severe look, but very pretty with a lovely smile.

The Story:

Apparently Chloe's favourite thing is domination, hence that authoratative look. As this is exactly what I wanted I was well pleased to find a girl who genuinely enjoys it.. We played an elaborate dice game together, where the prize each time was a good dose of very personal attention from Mistress Chloe. She was very good at it, I had a really sexy time, and I could see that Chloe really enjoyed it too, which is a real bonus for me. I can't wait for the next time.
