The Premises:

A very private address on the town centre outskirts, St Georges, with private parking. Julia has recently moved in so furnishings sparse but well decorated and very clean. Excellent shower/bathroom facilities. I felt very safe only having to walk a few steps across car park.

The Lady:

Julia has been described many times but in my opinion words do not do her justice! Petite, sexy and beautiful!

The Story:

Having seen Julia a number of times at Kandy's this was my first visit to her as an independent! Seeing her details elsewhere I discovered much to my surprise that she likes being Dominant which suited this submissive ideally! Not to go into specifics but on this occasion Julia took things fairly sedately, until the culminating coupling, but showed she will be much more demanding and testing of me on further visits! My visual senses were controlled which only heightened everything else! As Julia extends her equipment and she learns my boundaries/limits I'm certain she will be my Mistress Julia expecting me to do her bidding completely!
