### The Premises:

Accessable from the street via a buzzer and so very discreet. Nice suite of rooms with bathroom/shower and bedrooms. Maid at hand who was pleasant and brought me ornage juice. Tip for maid, i gave ?5.

### The Lady:

From the website i expected a choice of 3 today, only 2 in and one of them on escort duty and so i have lovely jasmin. Pleasant slim 20 year old indian woman with small breasts and pussy. Nice firm body. The website suggested penthouse like Indian lady (who actually cover the indian palace rota too. I choose this place as a previous punter said kissing happens here? I had a shower and waited.

### The Story:

Sadly kissing on lips and pussy does not happen here. I guess i had a kinda of massage and then to action, though i interrupted to suggest a BJ would be helpful (it is pricey here). Rest was fine on top, doggy and on top. She kept a good conversation going and i minded it not as i quite liked her. As U2 sing - "still haven't found what i am looking for."
