The Lady:

Very well known tall blonde, lovely arse and legs. Very pretty - particularly when she lets her wonderful hair down! Great personality.

The Story:

I had been searching for Chelsea ever since her unannounced departure from that well-known south london centre of debauchery until finally I came across a new report of her! What a result! I love spending time with this woman - and not just to shag her arse off (in a manner of speaking; I don't think she does A and I'm too big for it anyway) although that does come into it of course.
