### The Premises:

Indie apartment in Wallasey. Her directions were excellent and I had no difficulty finding her place and parking up. Very safe and pleasant area, discreet approach. Flat was cool, modern, airy and light, and nicely set up. Excellent bathroom and shower.

### The Lady:

Louisa is 33, stands about 5'6" without her heels, long raven black hair swept back by a sexy wide black Alice band, lovely grey/green eyes with a very mischievous twinkle ? a clue to her personality! She is a very well toned Size 12, beautiful tight skin with a light honey tan and fabulous pert 34B boobs ? a perfect handful. She clearly keeps herself in shape at the gym and has the legs of a dancer.

The photos on her website are accurate though she now has her hair well past the nipple line and she most definitely looks even better in the flesh.

### The Story:

I'd been meaning to visit Louisa for a while now since I discovered we seemed to have been following each other around the scene in Chester and the NW for several years but never quite managing to meet! I decided it was time we did!

Arrived at her apartment ? no problems. Louisa opened the door in jeans and tight cotton top looking even better than I'd expected and gave me a welcome peck on the cheek. Once inside we passed a few pleasantries and I quickly felt very relaxed and welcome. She has a knack for this I discovered! Then off to the shower to wash off the dust from the M53 while she got me a long cold drink. Good powerful shower too with all the necessities laid on.

I emerged super-squeaky clean to find she had magically transformed. Gone were the jeans and casual top and instead there was a golden-skinned vision teetering on gorgeous 3" pink & silver satin stilettos, with sexy black hold-ups, swathed in an open fronted baby doll in matching bright pink and wearing a very cheeky grin ? WOW!

Off with the towel and face down onto the bed for a lovely light-fingered massage and more chat with just enough teasing tickles round the balls to get things going. I rolled over onto my back and drew her down to lie alongside me into a lovely embrace and long sexy kisses which slowly got more & more passionate while our hands roved around all our lovely naughty bits!

She was definitely getting horny now and politely insisted I get down and introduce myself to her pussy, and Chaps this is one of the nicest, sweetest, neatest pussies I have ever had the pleasure of! Beautifully compact, fully shaven and positively quivering for some attention! I obliged, teasing with the tongue very slowly on her neat lips before increasing the pressure and roaming up to include her clit. Louisa responded rapidly, fragrant juices began to flow which I lapped up eagerly and with a gentle finger added on the G-spot she came with gusto.

Looking rather pleased, she then pulled me back up and began to return the favour on me skilfully returning me to a workable hard-on which just seemed too good to waste cos by now we both wanted me inside her A LOT, so it was on with the condom and on she hopped, sliding slowly down, then riding me oh SO well ? heaven!

By now I was the proverbial child in the sweetie shop wanting to try out all the flavours, so it wasn't long before I scooped her down under me into missionary where we could kiss while doing it, which I just love, and my hands could give her beautiful nipples and boobs the attention they were craving. We started to build up speed and whoops! another orgasm from Louisa.

We decided that was a good cue for another switch, this time into doggie. This was my first proper look at Louisa from behind and Boy! this woman has an incredible arse!! Watching the Old Man service that beautiful pussy while such a shapely behind swung back and forth to meet me was such a turn on, especially with those neat boobs swaying in sympathy! Things were just starting to build for myself when Bingo! a third orgasm from Louisa!!! And this time I could tell that pussy was just way too tingly to carry on, so I popped out and lay down alongside her for another cuddle.

A welcome breather followed while we chatted and laughed about the places we both knew with Louisa all the while giving me a languid slow handjob and me caressing her breasts. Very relaxing, and I was definitely winding down, so I was rather taken by surprise when I felt the pressure once again building in myself. She read me straightaway and expertly brought me to a wonderful climax, a real bonus, cos I normally only come with intercourse!

A quick clean-up and we then both realised it was rather later than we had thought, so no time left for the planned tea and biscuits after ? AND Louisa had got Jaffa cakes in specially for the Gent ? chiz!!

To sum up then, Louisa is bubbly, fun and a bit of a tease. More importantly she is very up-front and genuine. What you see is what you get and she just can't see the point in faking things, nor of watching the clock. Now that's really important for me, cos the slightest hint of the lady ?going through the motions? ruins it for me.

Sexually she is one of the most orgasmic women I've met. Very in tune with her body and relaxed enough to let things flow. It's not often I've had a lady come three times so easily and believe me, I can tell when it's real. Unusually she's also got great intuition on how we work sexually too, which has to be good!

Show her respect and take time to make sure you are fresh and clean in all the important places and you will definitely not be disappointed. I'll most certainly be returning to this gorgeous lady!

PS

Since this visit, I've heard that Louisa is now offering her Incalls from a new place in Liverpool, plus she is doing one day a week in Manchester ? the details are on her website
