### The Premises:

Her place was very safe and tidy. I feel relax when i was there.

### The Lady:

Slim and tender looking, extremely submissive.

### The Story:

Summer didn't say much, but you could tell that you were able to do what you want with her. And I did.

You will have to take lead and move her to any position you wanted, I gave her a real hard Fuck, finished in her mouth, and in second round only anal, and then came on her nice ass.
